Dear Parents,

“Greetings from IIS Dammam”.

The third term of this academic year is commenced and it is the time of examinations. You are aware that this year in class X the new examination system is introduced where students have to score the required pass mark in the annual Board Examination. The entire portion for the academic year will be tested in the final examination. The system of CCE pattern of assessment is done away. It is sure that there will be little pressure on the child when he/she is approaching the new pattern of examination.

On the basis of the second term exam and the initial assessments it is found that the performance of your ward is not reaching up to the expectations. He/ she have to put more serious and effective efforts. In order to guide and motivate them, it is proposed to have a meeting of the parents of such students (class X, both boys' & girls' sections) at 10:30 a.m. on Saturday, 13 January, 2018 in the boys' school multipurpose hall. You are kindly requested to attend the meeting. Please cooperate with this effort by assuring your presence in the meeting.
