Dear Parents,

“Greetings from IIS Dammam”.

It is noticed that the school buses in different routes are operating under-capacity and the school is facing financial loss because of this. This is happening because parents are withdrawing children in order to use other facilities. It is not possible for the school to run the transport arrangement on loss. So in order to meet the operational cost, the school management has decided to club few routes and to reduce the number of buses in operation. Children may be picked/dropped at their respective stops 15-20 minutes late. You are kindly requested to cooperate with this arrangement even though there will be little inconvenience. The routes which are going to be clubbed are:-

1. Dammam Girls, 2 & 3.
2. Thuqbah Girls, 1 & 6 with Thuqbah 3.
3. Thuqbah, 2 with Thuqbah, 5 & 7.
4. Subekha 3&4 with Subekha 1&2.
5. Aqrabia 1&3 with Aqrabia 2&k9.
6. Ras Tanura 1 with Ras Tanura 2.
7. Qatif route (1 bus) with Saihat & Tarout route (2 buses).
8. Abqaiq 3 buses will be reduced to 2.

Even after combining the strength in these buses will be 60 to 65 which our big buses can accommodate.
