

INTERNATIONAL INDIAN SCHOOL – DAMMAM

REF: IIS: PRINC: CIR: 1011:18

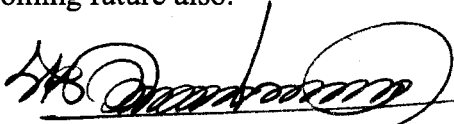

08 February, 2018

Circular

Dear Parents,

“Greetings from IIS Dammam”.

We believe that you are very well aware about the recent developments regarding the Ajeer programme, VAT and increase in the cost of basic requirements. In these circumstances the operational cost of the school is sharply increasing and it will be difficult to meet the requirements with the existing fee structure. Discussions are on at different levels in order to find out possible and practical solutions. In the present situation we are very well aware that our parents are also facing different issues. But in the current scenario the school has no other choice but to change the fee structure in order to meet the operational needs and to save from financial crisis. Through this circular we wish to intimate all our parents that there may be a reasonable increase in all slabs of our present tuition fee structure. The details will be intimated once it is finalized after discussions at all levels. We sincerely request our parents to cooperate, support and strengthen the school in order to provide quality education to our young generation in coming future also.

Dr. E K MOHAMMED SHAFFE
Principal & HOI
