

INTERNATIONAL INDIAN SCHOOL – DAMMAM

REF: IIS: PRINC: CIR: 1074:17

01 November 2017

**Circular**

Dear Parents,

It is the desire of all parents that their children should get admission in leading educational institutions for higher studies. There is a provision for the Indian students in Gulf Countries to get admission in NITs and other leading Engineering Institutions through the DASA scheme if they are clearing the SAT examination. For our students clearing of SAT examination is not a difficult task.

In order to support our students of class XI & XII in clearing the SAT examination we are commencing a special coaching programme in our school. Classes will be conducted either during the afternoon hours or on Saturdays according to the school schedule. Parents of interested students in class XI & XII are advised to encourage their wards in order to participate in this programme. To get more details you are advised to meet Dr. Irfan Waheed, HM-BSSS/ Mrs. Tamkeen Majeeda, HM-GSS during the working hours. Parents are advised to support and cooperate with this programme in order to help our students to realise their academic ambitions.

  
Dr E K MOHAMMED SHAFFE  
Principal & HOI
