

INTERNATIONAL INDIAN SCHOOL – DAMMAM

CLASS I - HOLIDAY ASSIGNMENT

Dear Parents,

We are very grateful for your heartwarming, dedicated support and co-operation throughout the I Term activities/assignments. As per the vacation schedule the school will re-open on 10th September 2017.

We all do admit the fact that holidays are the time to have fun and enjoyment but a long vacation can make us forget everything about studies. So let's enjoy our holidays and do some interesting activities that keep us on track with the studies. These activities will inculcate the values in life and sharpen the skills in studies.

- To improve the writing, do two pages of English cursive-writing per week in a four lined note book.
- Learn tables of 2, 3, 5 and 10.
- Revise all the Hindi letters taught.
- Read English and Hindi story books and make a list of the books that you have read.
- Collect 5 leaves of different shapes and sizes and stick them on A4 size papers and make a booklet.
- Visit an old-age home or an orphanage, take pictures, write your feelings in 4-5 sentences & stick the pictures in a booklet.
- Visit any of these places- zoo, planetarium, post office, monument, etc. List down your observations and write down a few points about the place you visited.
- Refer page # 09 of Academic Planner also.

Finally we implore all parents to limit and monitor what your children read or watch on the television. Please ensure that the children do not lose the trend of daily prayer. Here's wishing you all a **HAPPY & SAFE HOLIDAYS !!!**

A handwritten signature in cursive script, appearing to read 'Sadiqua Wahid'. The signature is written in black ink on a white background.

Ms. Sadiqua Wahid
