HOLIDAY ASSIGNMENT - CLASS LKG (2017-2018)

Dear Parents,

Summer holidays is the best time of the year when you get an opportunity to spend maximum time with your child. We, at IIS DAMMAM firmly believe that children must develop love for books from a very young age. Therefore inculcate the habit of reading among our little ones, get them good PICTORIAL STORY BOOKS. Read it yourself. So, go ahead, spend constructive, creative and useful time with your child and help him/her to explore the fun of reading and imagination.

Social and Emotional Skills:-

Inculcate the following habits in your child:

1. Loving his/her younger ones and giving respect to his/her elders.
2. Wishing and welcoming guests.
3. Spending time with grandparents.
4. Keeping the house clean.
5. Helping you in arranging dining table.
6. After eating keep his/her plate in the kitchen

Few tips to make the best utilization of the summer holidays :

1. Encourage your child to eat healthy food and drink lots of water during summer
2. **Try to speak in English with your ward.**
3. **Make a routine for your child to play, revise concepts and watch T.V.** (Let your child watch some entertaining T.V. shows Like ABC Songs, 3D Rhymes, Phonics song, Chu Chu TV, Jolly Phonic series, ELF kids, Star fall education videos, etc...so that by watching TV they gain knowledge and understanding.
4. Maximum of one or two hours only of screen time should be allowed. Let them play and improve their physical health and Muscle Tone.
