

INTERNATIONAL INDIAN SCHOOL – DAMMAM

REF: IIS: PRINC: CIR: 1002:19

January 10, 2019

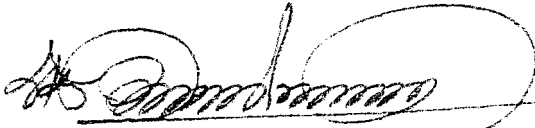

NOTE

Dear Parents,

“Greetings from IIS Dammam”.

You are very well aware that this is the time the school begins to make preparations and planning regarding classrooms, teachers, furniture etc. for the new academic year. A proper planning is always possible if we are having an estimate regarding the various requirements for the coming academic year. In this regard, we request the parents to submit their TC application to the school if they are planning to move their wards back to home country for continuing their education after March, 2019. It is appreciated if such requests are submitted on or before Thursday, 17th January, 2019.

Even if you submit the request, the TC processing will start by the end of March, after the exam results are published. If someone wants to withdraw the request later, he/ she is permitted to do so.

Principal & HOI
