**GULF BOARD EXAMINATION - CLASS IX**

Dear Parents,

*“Greetings from IIS Dammam”.*

You are well aware that from this academic year onwards CBSE has introduced the annual examination system for promotion to the next higher class. 80% of the total score shall be from the final examination and 20% from the term assessment and record works. The Board has also reintroduced the Board Examination in class X. Under this system the entire portion from the syllabus will be evaluated in the annual examination.

In this circumstance it is decided to conduct the IX standard annual examination from 18 February, 2018. The new academic session for class X shall be commenced along with class XII tentatively from 14 March, 2018. Because of this arrangement class X students will get more number of working days and the portions can be completed sufficiently early. This will provide enough time for revision, pre-board and the final board examination, 2019. It is requested to cooperate with this arrangement for the benefit of the students. Present IX standard students are advised to start their serious preparations for the final examination as it is scheduled from 18 February, 2018.
