Circular

Dear Parents,

“Greetings from IIS Dammam”.

This is to invite your kind attention towards our earlier circular regarding the introduction of Ajeer, increase in other day to day operational expenses and the consequent increase in the school fees structure. The issue was analysed by the school management from different perspectives and finally it is decided to make a very moderate change in the fees structure of the school. There will be an increase of SR-15/- on all slabs of tuition fees w.e.f. 01 April, 2018. The sibling discount which was given for the second child is withdrawn w.e.f. 01 April, 2018. The fees structure for the 1st child & 2nd child will be the same. The discount granted for the 3rd child & 4th child will continue without change. The Establishment Levy for the 1st child at the time of admission in the school will be increased from SR-1000/- to SR-1500/-. Establishment Levy for subsequent children will remain unchanged.

Parents are advised to understand the present situation and to cooperate with the decisions taken by the school Managing Committee for the smooth functioning of the school.

With regards

Dr. E K MOHAMMED SHAFFE
Principal & HOI
