

CIRCULAR

Dear Parents,

Please refer to our earlier **Circular No: 1014: 17** dated **8th March, 2017**. It was informed that the sibling discount will be discontinued w.e.f. 1st April, 2017. However, there were many representations from the parent community citing their various difficulties like salary delay, layoff, financial recession, dependents levy etc., and to postpone this decision. They requested that the withdrawal of sibling discount in the prevailing economic conditions will increase the financial burden of almost all the parents. The Managing Committee has considered all these points and discussed the issue in detail in several sittings. Finally it is decided to temporarily hold this subject and to study it comprehensively before implementation. Till then the decision conveyed through the earlier circular to discontinue the sibling discount is withdrawn and for the current academic year (2017-2018) sibling discount will be continued.
