Dear Parents

Admission to Class XI – 2017

Admission to Class XI-2017 is already started. The number of seats available for various streams are limited and there are so many students from our school as well as from the neighbouring schools who want to get admission in the school. Because of this, each and every seat available is to be utilized effectively. If any more students of IISD have to take admission for the current academic year, they are advised to complete the process before Thursday, 23 March, 2017. Students from other schools and those who are coming from India can submit their applications online from Monday, 27th March, 2017. Common Admission Test for all those applicants will be conducted on 10th April, 2017. Admissions will be granted for the available seats on merit basis. All those students who are taking admission in Class XI have to pay the fees for the entire first term i.e. from April to July, 2017, before the commencement of the classes. In case anybody is unable to pay the entire fees, he/ she has to submit an undertaking stating that if he/ she leaves the school on any date during the first term, is ready to pay the full fees for the entire term up to July, 2017. The TC for such students of class XI will be issued only on clearance of the dues. This arrangement is made in order to ensure that only genuine students are taking admission and seats are not left vacant after first term while there are so many students seeking admission in the beginning of the academic year.

With regards

Yours sincerely

Dr E K MOHAMMED SHAFFE
