

INTERNATIONAL INDIAN SCHOOL – DAMMAM

REF:IIS: PRINC: CIR:1031:15

18 October 2015

Circular

Dear Parents

“Greetings from IIS-Dammam.” Numerous complaints have been received regarding the irregular driving and parking near the school area both Boys and Girls Sections. Because of the wrong parking and driving without following the rules and regulations it is creating difficulties for other commuters and the local citizens in the area around the school. The traffic police department has visited the school and advised to take strict steps in order to control the traffic and to ensure the free flow of vehicles in the school area in the morning and afternoon hours. The traffic department has noticed that vehicles are parked around the school where parking is not allowed. They have also noticed that few drivers are driving in wrong directions. It is informed to us that from tomorrow onwards the traffic department will be frequently visiting the school area and will be charging fines on all violations . Thus this is to inform all our parents and private vehicle drivers who are coming to school area to follow the traffic rules and guidelines and the instructions from the security guards appointed from the school. If you are violating the rules and any punitive measures are received from the concerned department you will be solely responsible for the same.

In the best interests of the school and students, the parents and private drivers are advised to follow the rules.

Expecting your cooperation.

Dr E K MOHAMMED SHAFEE
Principal & H.O.I.
