Parents Day for Classes III to XII (Boys & Girls Sections)

Dear Parents,

Parents Day for classes III to XII both Boys and Girls Sections will be held on Saturday, 20th May, 2017 from 2:00 p.m. to 6:00 p.m. Being the first parents meeting of this academic year, this will give a good opportunity for the parents to discuss various issues relating to academic and non-academic areas of their wards with the class teacher and subject teachers. Parents are kindly advised to make effective use of this opportunity . Your early visit to school can avoid the last minute rush.

Seeking your complete support and cooperation
