Sub : SPECTRA-Educational Exhibition, 2018

Dear Parents & Students,

We are happy to inform you that IIS Dammam, Girls Upper Primary and Middle Sections, are organizing Annual Educational Exhibition "SPECTRA -2018" on 1st December, 2018. This Educational Exhibition will cover all major areas like Science & Technology, Maths, Social Studies, Languages and Literature, History, Islamic Studies, Saudi Arabian Culture etc. Parents are requested to encourage and motivate the students to participate in the exhibition with innovative and novel projects and ideas. Selection of the exhibits and projects will be based on the theme, creativity, originality and practical application. The exhibits will be evaluated by a professional team and the winning projects and exhibits will be rewarded suitably.

Students are advised to search and find out new projects and to accumulate various resources required.

Themes for the Expo are:

- a) Waste management & Conservation of Environment
- b) Health care and hygiene
- c) Recycling and effective use of resources.
- d) Energy Efficiency.

General Guidelines:

The exhibit / model may be either

- a) A working model
- b) A non-working model
- c) An investigation-based project

Greater emphasis may be given to investigation-based projects to kindle scientific method and scientific approach among students.

Students are encouraged to prepare a suitable logo depicting the theme and the significance of the subjects included in the expo and submit in one week time. The best logo will be selected for the exhibition and will be awarded.

A brief write-up about your project is to be submitted to the teacher concerned on or before Thursday, 15th November, 2018. Only after getting the approval students can start making the projects.

With regards

Dr E K MOHAMMED SHAFTE
Principal & HOI
