Parents Day for Classes VI to XII (Boys & Girls Sections)

Dear Parents,

Parents Day for classes VI to XII both Boys and Girls Sections will be held on Saturday, 14th September, 2019 from 2:00 p.m. to 6:00 p.m. Being the first parents meeting of this academic year, this will give a good opportunity for the parents to discuss various issues relating to academic and non-academic areas of their wards with the class teacher and subject teachers. Parents are kindly advised to make effective use of this opportunity. Your early visit to school can avoid the last minute rush.

Seeking your complete support and cooperation

With regards
