

INTERNATIONAL INDIAN SCHOOL - DAMMAM

REF: IIS: PRINC: CIR: 1139:16

06 December 2016

**Circular**

Dear Parents/ Students

We have been trying to improve the transport facility for our students from the beginning of this academic year. New buses with all the facilities are being introduced. 28 of them have already arrived and inducted. Another 35 new buses will be introduced shortly. It is noted that, few mischievous students are destroying the seats and other gadgets inside the bus. This is a very bad practice and we should not encourage. It is to be informed that all new buses are fitted with cameras. If any student is doing mischief, it will be recorded and caught. Please refrain from all such activities and keep the buses neat, clean and tidy by considering them as our own property.

It is reported that, some unauthorized students are also travelling in the buses and sometimes they are causing disturbance for others. It is compulsory that all students who are travelling in the school buses should wear the school ID card with red tag and whenever it is asked by any school staff or transport staff, the same should be produced. If a student is failing to provide the ID, he/ she may be stopped from entering the bus. Parents and students are requested to take care of this instruction. If a student is missing his/ her ID card, he/ she is advised to get a new ID issued from the school. These instructions are to be followed strictly from Sunday 11 December, 2016.

  
Dr E K MOHAMMED SHAFIE

Principal & HOI
