

Examinations and Assessments

Dear Parents

This is to convey you that we are following the system of Continuous and Comprehensive Evaluation System in our school as per the guidance and instructions from CBSE. From Class 3 onwards this system is followed meticulously. From Class 6 to 10 the students have to appear for four Formative Assessments and two Summative Assessments. The promotion of the child is decided on the basis of performance in all the FAs and SAs. 40% weightage is taken from 4 FAs and 60% weightage is taken from 2 SAs for the final promotion of the students to the next class. As per CBSE rules two SA exams are compulsory for all students from class 6-10. They should secure a minimum of 25% marks in both the SAs taken together. Overall aggregate percentage of SAs and all FAs should be 33% to be eligible for promotion to the next higher class. Absence from any one of the SA will cause for the failure of the students in the same class. The tentative assessment dates are given in the calendar. Parents who are planning to travel during the period other than the vacation are advised to refer the tentative assessment dates in order to avoid the absence of students from SAs and consequent detention of students in the same class.
