

INTERNATIONAL INDIAN SCHOOL-DAMMAM

CLASS I - HOLIDAY ASSIGNMENT 2018 - 2019

Dear Parents,

We all do admit the fact that holidays are the time to have fun and enjoyment, but a long vacation can make us forget everything about studies. So, let's enjoy our holidays and do some interesting activities that keep us on track with the studies. These activities will inculcate the values in life and sharpen the skills in studies.

- To improve the writing, do two pages of English cursive writing per week in a four lined notebook..
 - Read English story books and make a list of the stories you have read.
 - Visit an orphanage, take pictures, write your feelings in 4 – 5 sentences & stick the pictures in a booklet.
 - Visit any of these places – Zoo, Museum, Monument etc.
 - Collect pictures of different types of houses & make a booklet. (For grading)
 - Collect 5 leaves of different shapes and sizes & stick them on A4 size paper & make a booklet.(For grading)
 - Make 3 Dimensional (3D) shapes & stick them on a Styrofoam.(For grading)
 - Refer page # 8 of Academic Planner also.
- * **Marks will be allotted for Maths & EVS assignment. (For grading)**

Finally we implore all parents to limit & monitor what your children read or watch on Television.

Here's wishing you all **EID Greetings & Happy and Safe Holidays!!!**
