

INTERNATIONAL INDIAN SCHOOL - DAMMAM

GRADE II - HOLIDAY ASSIGNMENT

HEY KIDS! HAVE A HAPPY, HAPPENING BREAK

YES! A holiday is supposed to be a break from studies, explanations and completing tasks. But are holidays supposed to make us irresponsible kids?..... **NO!**

So, we're going to take up certain responsibilities and also enjoy our holidays with our families.

1. READ BOOKS in ENGLISH and HINDI

Books are your best friends. Keep a four line 80 pages notebook for holiday assignment. List out the books you have read in it.

2. IMPROVE YOUR WRITING

Write 1 page of Hindi and 1 page of English once a week and when you're back to school after the holidays, your handwriting will be the envy of your classmates!

We would love to see your writing practice notebook when you come back.

- Also make sure you have completed upto page 25 in your Cursive Handwriting book.

3. WALK TOGETHER

Go for walks with your family. You will realize you have 2 of God's greatest gifts **NATURE** and your **FAMILY**. Do not forget to thank **GOD** for these gifts.

Be a Eco Friend - Plant at least one in-door or out-door plant and take care of it during the holidays. Try to visit a Nursery and observe the variety of plants you see there.

4. CULTIVATE MANNERS

Remember the 4 magic words? PLEASE, THANK YOU, SORRY and EXCUSE ME.

Make these a part of your personality.

5. PLAY OUTDOOR GAMES

Computer games are good. They sharpen your intellect but what about the rest of your body? You do need some exercise, don't you? Go cycling, play badminton, cricket, kho-kho, catch, hide n' seek anything that will make you fit.

- List any four outdoor and indoor games that you enjoyed during your holidays in your assignment notebook.

6. CARE AND CONCERN

This is your chance to look after your parents, grandparents, elders and even your younger brothers and sisters. You can surely be of some help around the house.

- Write a few sentences on "How you spent your summer vacation".
- Collect pictures of different festivals for the First Term EVS Project work.
- Make a model of any one type of house.

7. PRACTICE MAKES ONE PERFECT

- Learn tables 2 to 5.
- Practise addition sums in your assignment notebook.

8. FUN TIME

A trip to the beach with your family and friends can be real fun.

- Do Art Book pages 8, 11, 13, 15 & 28.

Have a great holiday and enjoy yourself to your heart's content.
