Gandhiji led a very simple life. He wore nothing more than a loin cloth and usually travelled third class on trains. In those days the lowest class was third, while today there is no third class.

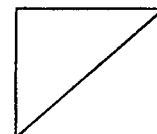

One day some Americans saw Gandhiji getting down from a third class compartment at Bombay (now called Mumbai). They were surprised and very strange that the leader of this great country travels third class they thought.

The Americans went up to him and asked , " Why do you travel in third class Bapuji ? "

" Because there is no fourth class , "

Gandhiji replied and laughed , The Americans laughed, too.

(PLEASE TURN OVER)

I. Answer the following questions :

1. What did Gandhiji usually wear ?

2. The Americans saw something strange at Bombay station , What was it ?
