

Message

I am happy to see the excellent academic results of class X students of our school. Congratulations to the all the parents whose children have passed 10 CBSE examination meritoriously. IISD has broken all the previous records of the number of 10 CGPA and produced 216 students with 10 Cumulative Grade Point. There are a total of 549 students scoring above 9 CGPA i.e. 47.24% of the total number of students (1162) presented by IISD. It is a matter of pride and jubilation for IISD staff members, students and their parents. The quality of result proves the untiring hard work of the teachers, section heads, deputy COE, VPs and the Principal & HOI. I take this opportunity to congratulate every one of them and also the meritorious students and their parents. I am sure that the students of IISD will excel in all their future endeavours and bring laurels to their motherland (India). Inshallah I am also confident that the school will continue to fulfill the educational aspirations of the young Indian community in the Eastern Province of Saudi Arabia. On this occasion I also congratulate all the members of the Managing Committee for their valuable contribution and untiring efforts.

Dr. Syed Zainul Abidin

Chairman – MC

IISD
