Established in 1982, IIS Dammam is one of the largest schools in the world with over 17,500 students and a 850 strong faculty. It caters to the educational needs of Indian children in the age group of 3 – 17 years in the Eastern Province of Saudi Arabia. The school motto is ‘In Quest of Excellence’. The school has a consistent track record of academic and co-curricular excellence – IIS Dammam has been achieving 100% quality results in the All India Secondary School (AISSC) and All India Senior Secondary School Certificate (AISSCE) Examinations conducted by the Central Board of Secondary Education (CBSE), Delhi. Proving its mettle in the co-curricular arena, IIS Dammam has been the ‘Overall Champions’ in the Cluster Meet of the CBSE affiliated schools in the Kingdom for several years now. Functioning with all modern amenities this school has a unique distinction of having a Special Child Care Section fully equipped and managed by duly trained professionals attending to children with special needs, This community school is governed by a Managing Committee elected by the parents and is functioning under the Patronage of the Embassy of India, Riyadh, KSA, and His Excellency Ambassador of India to the Kingdom is the School Patron.

Every year more than 700 students (boys & girls) pass out from our school after Class XII (Plus Two) in different streams. These students are on the look out for major institutions to pursue higher studies. In order to enlighten them with appropriate information on prestigious institutions and on proper choices of courses and careers, we are planning to organize a Career Fair on Sat, 13th and Sunday, 14th December 2014. This would provide the students an opportunity to choose a course in an institution of their choice. This will be an ideal platform for the students and their parents to directly interact with the delegates of colleges / institutions / universities. We shall make all possible efforts to make this fair a mega event which would be visited by maximum number of students not only from IISD but from other expatriate schools in the vicinity too. Kindly ensure your organization’s participation in the fair and forward your confirmation at the very earliest. With regards,

Dr E K MOHAMMED SHAFFE
Principal & Head of the Institution
INTERNATIONAL INDIAN SCHOOL, DAMMAM
