25-06-2019

Dear Parent,

Please be informed that Library Week commences from 16th September 2019 to 19th September 2019.

During this week teachers will stress on the importance of books, reading different types of books, and how to take care of them.

Our aim is to teach the child how reading books can change the perspective of life.

To consolidate this approach we will celebrate the week with the following class room activities.

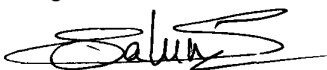

Story Characters (Class Activity)	<u>16th September</u> <u>2019</u> (Monday)	Dress up as any story character and speak a few sentences about that character.
Class library fair 1. DEAR Day (Drop everything and read) 2. Surprise Reading Activity	<u>17th</u> <u>September2019</u> (Tuesday)	Children are requested to bring their favourite story book from home on the day. Kindly label the book with the child's name, class and section. Library Book will be displayed and read. Surprise activity on Phonic sound.
Story Telling Competition	<u>18th</u> <u>September2019</u> (Wednesday)	Story telling competition with a moral (Props and Costume carry 20% marks and 80% for presentation and voice modulation) Time Limit: 2minutes
Library Special Assembly	<u>19th</u> <u>September2019</u> (Thursday)	

Stories are effective way of teaching morals and good values to the child.

So we request you to participate by reading aloud stories (picture book stories, fairy tales, Bed time stories, animal stories etc) to your child and inculcate the habit of reading books at this tender age. You can also find more stories on the websites www.bbc.co.uk/cbeebies/www.kiddyhouse.com/kids/story,www.leapfrog.com.

We wish you a happy reading
