VAT implementation

Dear parents

Greetings

Please refer the school circular issued on 07th July 2018 on this issue. The VAT is integrated with fee collection system and the collection has been started from 07th August 2018 on all the payments made from 1st June 2018 onwards. The fee paid in June either arrear from Jan 2018 or in advance is subject to VAT. The fee paid in advance before 1st June 2018 is not subject to VAT as per the guidelines as on date. Those, who paid the fee in advance on or before 31st of May 2018 need not have to pay VAT till further intimation.

The parents using the net banking facility for payment of fee have to add 5% to the monthly fee applicable to their children. They are advised to verify the VAT arrear by calling at 8142801 Ext 228 & 206 or pay the next fee at the school cash counter.

We need the cooperation and support of the parents and request them to have the change for smooth functioning of the cash collection.

Regards

Q. Ansari
Finance Office

For the convenience of the parents, a fee table with VAT is published on school web.
