for the new academic year 2021-22**

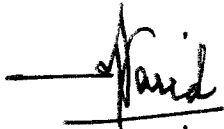

Dear Parents

Those parents who are paying the fee through bank are requested to follow the guidelines given below before making the payment for the year 2021-22:

1. Make sure that the dues for the year 2020-21 are cleared before making the payment for the year 2021-22.
2. You may check the dues, if any, for the year 2020-21 through the link given on the school website (ACADEMIC/check fee dues).
3. Make a separate transaction for the dues of 2020-21, if any, and do not add with the fee for 2021-22.
4. Transfer the exact amount of fee applicable to the child and do not round off to the nearest number.

For queries and reconciliation of the dues, you may send the fee deposit slip/bank transaction details to feedeposit@iisdammam.edu.sa.
