### **Subject: Inviting Registration by the Alumni-IIS Dammam**

Dear Alumni IIS Dammam

#### **“Greetings”**

Being the alumni of IIS D, you are one of the most valuable assets of our institution. You are the people who represent IIS Dammam in the real world.

With the purpose of fostering the spirit of loyalty and to strengthen the ties between alumni, the community and the institution, International Indian School Dammam invites its alumni to be a part of **‘IISD Alumni Association’**.

As an alumni, you can share your expertise and experience with the young students of the school and inspire our students, at the same time build strong bonds with your alma mater.

The school is in the process of creating a database of all its alumni. You are hereby requested to submit the required details by clicking the link given below:
