

INTERNATIONAL INDIAN SCHOOL – DAMMAM

REF: IIS: PRINC: CIR: 0072:22

22 March, 2022

CIRCULAR

Sub: Co-education in classes I, II and III

International Indian School Dammam will be implementing co-education in classes I, II and III from the academic year 2022-2023.

Schools have become much more than mere conduits for knowledge and skill acquisition. We at school need to work keenly to prepare students for a world beyond their school gates, where the traits of tolerance, respect, resilience and cooperation are as valuable as academic knowledge and skills.

Our main aim of implementing co-education in the lower classes initially is to boost gender equality, develop confidence, empathy and have a healthy competition from the early years of schooling.

Working together in the classroom will provide the boys and girls with the opportunity to learn from each other intellectually, as well as socially. It will improve the ways these children think, learn and collaborate.

Let us together help our young children at school grow in a blended environment where they not only learn to respect each other but also encourage success in one another.

MAHENAZ FARID
