The Social Science month in October was dedicated to the celebrations of 150th anniversary of Mahatma Gandhi. The celebrations unveiled different inspirational activities related to Mahatma's life, making the whole BMS seem to feel the essence of Mahatma's philosophy of peace and nonviolence.

## First Aid Awareness Campaign

The selected students of 6th, 7th & 8th grades of BMS conducted a first-aid awareness campaign which aimed at equipping the students and the teachers with the skills to respond to the medical emergencies promptly and effectively.

## **Service Awardees ~ 2019**

We congratulate some of its archetypal teachers for their invaluable and dedicated service in the school. The awards were presented to them in the Foundation Day - 2019 function in recognition of their boundless efforts towards the students, BMS and the organization as a whole.

We wish them to bring more laurels to the section.

### **Foundation Day – Always Best Performance!**

BMS participated in the school foundation day celebrations with the boys presenting the theme based cohesive dance performances. The burst of energy and the exotic flow of the students had the audience cohesively tied to the stage. It became an emotional outburst at the end with the 'Mother Earth' crying for help.

## Children's Day – Dedicated to Our Toddlers!

BMS pulsated with the excitement and the mood of the children's day celebration on 14th Nov 2019 as the teachers dedicated the day to their students with meticulously organized exciting and fun filled programmes. The students were elated to see their teachers upon the stage performing and celebrating the day with the festive fervour. The card making by the teachers for their students was a unique activity well taken by the students.

## Fire Drill

The regular fire drills conducted in IISD helped the students and the teachers to fully grasp the school building escape routes and the instructions that they must follow. In particular, fire drills helped the BMS students to become accustomed to the progress and recognize that they need to take fire-safety seriously.

## Field Trip – Fun and Fun

It was yet another occasion whereby the BMS students felt free from the bondages of regular school for a day. The students had the opportunity to enjoy a field trip to the King Fahad Park. The most awaited day was full of fun and frolic and helped rejuvenate all.

## Sports

BMS lays a strong emphasis on the mass participation of the students in sports exposing them to a number of events indoor as well as outdoor at the section level. The students were given an opportunity to enhance their skills in football basketball badminton table tennis and athletics (through the regular games period). The House-wise competitions were held in various categories and winners were dully awarded. The meritorious student also got a chance to play at the National level.

## Math's Month

Math's month was celebrated in December 2019 with a great vigour and dynamism. A range of different activities covering the Math's shortcuts to an extensive display of seemingly incomprehensible math allusions kept the students incredibly enthusiastic. The Math's month activities definitely expanded the concept of Mathematics far beyond the classroom Maths and nurtured the power of reasoning of the students immensely.

## New Year's Eve.

Through a special assembly, BMS bid farewell to the year 2019 by summing up the overall achievements of the year and welcomed the New Year 2020 with new hopes and new resolutions and presented the road map for the students to achieve their thought-of goals.
