SEEN PASSAGE

Dhani and his parents lived in Mahatma Gandhi's Sabarmati Ashram. Dhani used to take care of Binni, one of the ashram's goats. Binni was his best friend and he liked talking to her. The ashram had become very noisy and full of activity in the past few days. Dhani knew something exciting was being planned at the ashram. That morning, as Dhani fed Binni, he said, "Something is going on, Binni! They all keep discussing something. They are planning something. I know it!" Dhani went to his mother and asked, "Amma, is Gandhiji going somewhere?" His mother said, "He is going on a march."

1. Who did Dhani take care of at the ashram?

2. What was happening at the ashram?

3. Who did Dhani ask about Gandhiji?

4. What did Dhani's mother say about Gandhiji?

5. Who was Dhani's best friend at the ashram?

UNSEEN PASSAGE

Bees are insects. Bees are special insects because they can fly! They can move through the air like an airplane! Bees can fly because they have wings. They use their wings to fly. Bees can fly fast. Bees can also fly slow. They can fly up and they can fly down. They need to fly to get to the flowers! Bees can have three colors. They can be yellow, red, and orange. All bees are black in some places. Bees have three main parts. They have a head. They have a body. And, they have a stinger. The stinger is used to defend against enemies. They also have six legs. They use their legs to stand and climb. They also use their legs to eat and collect pollen. Bees live in many places. They live in Africa, Australia, Asia, Europe, North America, South America. The only continent that bees do not live on is Antarctica! I understand why they don't live in Antarctica. It's too cold! Most of the time, bees are nice to humans. If you do not bother them, they will not bother you. Have fun watching the bees this summer!
