CLASS II

COMPUTER SCIENCE

WORKSHEET- 2

NAME: _____ ROLL NO: _____ SEC _____ DATE: _____

Computer and Its Uses

A computer is a very useful machine. You can see computers in schools, homes, offices, hospitals, and several other places. The computer helps us in many ways :

In Schools

The teacher prepares report cards and worksheets, stores students' records, and uses it as a teaching aid.

In Homes

To do your homework, listen to music, watch movies, play games, and purchase items.

In Offices

Typing and printing documents, keeping records of official data and letters, and sending and receiving messages.

In Hospitals

For keeping records of patients.

In Railways and Airlines

For Online booking of ticket. Keep track of trains and airplanes.

In Shops

For storing data, price lists, calculating and printing bills.
