

GIRLS SENIOR SECONDARY SECTION

“Learning is the key to success in life and there is no limit to skills children can acquire.”

The Girls Senior Secondary Section takes pride in nurturing young minds and empowering future leaders. Our H.O.D, Ms. Mumtaz Ali, is a visionary educator with a deep passion for cultivating academic excellence, personal growth, and character development among our students. With her extensive experience and unwavering commitment to education, she leads our school with grace, wisdom, and dedication to providing a stimulating and inclusive learning environment. Under her guidance and relentless support of the entire GSSS faculty, our girls thrive academically, socially, and emotionally, preparing them to confidently face the challenges of the modern world while embracing their unique talents and aspirations.

“Great teamwork is the only way we create the breakthroughs”

At our institution, the teachers of the Girls Senior Secondary Section are not just educators but also dedicated mentors and role models. They wholeheartedly believe in the transformative power of education and are committed to providing our students with a nurturing and inspiring learning environment. With their tireless dedication, innovative teaching methods, and individualized attention, our teachers empower our girls to explore their full potential, cultivate a love for learning, and become confident, compassionate, and capable global citizens.

The stream of study is selected by the students based on their interest and potential. The subjects offered in the said streams are:

Science: English, Physics, Chemistry, Mathematics, Biology, Computer Science, Home Science, Psychology

Commerce: English, Economics, Business Studies, Accountancy, Mathematics, Computer Science, Marketing

Humanities: English, Geography, Psychology, Home Science, Political Science.

Laboratory:

Our school has laboratory facilities that cater to a wide range of subjects, providing our students with hands-on experiential learning opportunities that enhance their understanding and mastery of scientific, technological, and practical concepts.

Physical Education:

Our school is equipped with excellent sports facilities, catering to both indoor and outdoor sports enthusiasts. With dedicated spaces for badminton and table tennis, students can hone their skills and engage in friendly matches. Our outdoor facilities include areas for kho-kho, throwball, basketball, and track and field events, providing students with ample opportunities to showcase their athletic prowess. It is worth mentioning that our school emerged victorious in the **Annual Cluster Meet** multiple times, a testament to our students' and sports faculty's dedication, talent, and hard work.

First Aid Clinic:

Our school is equipped with a well-stocked first aid facility, overseen by a trained medical professional, who conducts yearly check-ups and ensures the health and well-being of our students. Moreover, in coordination with the Saudi Ministry of Health, the school diligently facilitates vaccination drives to safeguard our students from potential epidemics and promote a healthy learning environment.

Career Guidance:

Our school organizes a yearly career guidance event, providing students with valuable insights, resources, and opportunities, with the participation of renowned institutions and well known personalities from various fields which helps students explore various career paths and make informed decisions about their future.

Counseling:

We have a dedicated counseling facility led by a trained counselor, who offers personalized guidance, support, and a safe space for students to address their academic, personal, and emotional needs, ensuring their overall well-being throughout their educational journey.

Morning Assemblies:

Our school conducts weekly morning assemblies, led by students with the guidance of teachers, where we come together as a community to start our day on a positive note.

Alternating with the assemblies, we have physical training sessions to promote fitness and discipline among students. Additionally, we hold an annual investiture ceremony to appoint student leaders, and special assemblies are organized on occasions of significance, fostering a sense of pride, unity, and celebration within our school.

Co Curricular Activities:

At our school, we believe in the holistic development of our students, which is why we organize a wide array of co-curricular activities throughout the year. From engaging debates and captivating creative writing competitions to imaginative arts and crafts sessions and visually appealing wall magazines, our students have ample opportunities to explore their talents and showcase their skills

"The future belongs to those who believe in the beauty of their dreams."
