HM - PREP

The Prep. Section is spearheaded by the visionary Headmistress, Mrs Sadiqua Wahid and her team of dedicated staff, who are passionate about providing young learners with quality education. With a commitment to excellence and a focus on individualized learning, the Prep Section is the foundation upon which each child's potential is realized.

In the prep section, we have a wonderful family of teachers and students who work together to create an environment that inspires creativity, learning and growth. Our family consists of 93 devoted teachers who provide attention and care to each of our 2200 remarkable students.

"Unleash your talent - Explore the World of Co-Curricular Activities!"

Co-Curricular Activities

Co-curricular activities are an integral part of the learning experience. Prep. Section provides ample opportunities and encourages students to participate in co-curricular activities that play an essential role in the holistic development of students. It helps them acquire essential life skills and discover new interests, thus preparing them to face the challenges of the world outside the school.

"Gathering to Inspire: Capturing Moments of Inspiration in our Morning Assemblies!"

Morning Assemblies

The morning assemblies conducted with different cultural programmes offer an exceptional opportunity for students to showcase their unique abilities. The assemblies held on special events like Gandhi Jayanti, Labour Day, and World Environment Day provide a great platform for students to gain knowledge and awareness on important issues and help in instilling a sense of responsibility towards our society.

Sports activities at Prep!

Participation in sports helps students develop a sense of discipline, teamwork and leadership, apart from providing physical exercise and promoting healthy competition.

"Books are keys that open doors to endless knowledge and imagination."

Library

Encouraging the habit of reading is integral to academic success. Developing this habit early on in the prep section will have a positive impact on students' learning abilities. Reading helps to improve vocabulary and comprehension skills, and enhances critical thinking and creativity.

"Budding Cubs and Talented Bulbuls: A Journey of Fun-Filled Activities!"

Prep. Cubs and Bulbul

The Cubs and Bulbuls programme aims to encourage students to be responsible citizens and help them become physically fit, mentally alert and socially conscious individuals. The programme incorporates games, songs, stories and craft activities.

"Experience an immersive and engaging way to learn"

Audio-Visual Learning:

PowerPoints, videos and images projected through the smartboard help to create a more engaging and interactive learning environment for our students in the computer lab.
