CIRCULAR

Sub: Complete Ban on Mobile Phone in School Premises.

Dear Parents / Students,

Greetings from IIS Dammam!

In our continued efforts to ensure a conducive learning environment and to promote the safety and wellbeing of our students, we are implementing a complete ban on mobile phones within the school premises, effective from the 14th April 2024.

This decision was made after a careful consideration of the potential distraction and risks associated with mobile phone usage among students.

In case of emergency, Parents /Guardians can contact the school officials (Class teacher / HM) and the message will be relayed to the student. We seek your cooperation and support in ensuring that students adhere to this policy. We believe that this measure will contribute to a more positive and productive educational experience for our students.

Thank you for your understanding and cooperation.

With Regards,
