Principal's Message

Dear Students, Parents, and Teachers,

I am pleased to present to you our school's Academic Planner for the academic year 2024-2025. As the principal of International Indian School, Dammam I believe that careful planning is essential for academic success, and our academic planner serves as a valuable tool in this regard.

This academic planner is the result of collaborative efforts from our dedicated team of educators, administrators, and staff. It is designed to provide a comprehensive overview of this academic year, including important dates and curriculum outlines.

I encourage all students to actively use the academic planner to set goals for study, track progress, and manage their time effectively.

Parents, your support in ensuring that your child using the academic planner consistently will greatly benefit their academic development.

Teachers, I urge you to incorporate the academic planner into your lesson planning and use it as a guide to ensure that our students receive a well-rounded education as being envisioned by the CBSE.

Together, let us make the most of this academic planner and work towards a successful and fulfilling academic year ahead.

Best wishes,

Mr. Sunil Peter

Principal
