Dear Parents,

Greetings from IIS Dammam!

We are happy to inform that the HVAC repair works in the Boys' Wing are underway and we expect to resume in-person classes in the Boys section, followed by **Off-line mode of Midterm Examinations**, which is scheduled to commence on **Thursday, 17th October 2024**.

In-person classes for KG sections are expected to commence on **Sunday, 13th October 2024** and In-person classes for Grades 3 to 12 shall commence after the **Offline Midterm Examinations**.

On behalf of the school administration, I wish to sincerely apologize for the inconvenience caused by this extended period of online classes due to the HVAC repairs and maintenance in IISD Boys' Wing.

The school administration and the School Managing Committee will collectively work towards ensuring that the school gets a technologically advanced and long lasting new Air Conditioning system in the Boys' building in order to avoid any prolonged academic disruption in future.

We are grateful for your understanding, patience, and continued support.
