

BOYS MIDDLE SECTION

Boys Middle Section- BMS caters to the educational needs of the boys and the girls of the age group 11-13(Grades 6,7 & 8). It is the learning hub of around 1500 students within the spectrum of strong and highly committed team of 68 teachers under the visionary leader, **Ms. Faridha Dawood**, the Head Of Department of BMS.

Spearheading BMS for change:

Insightful leadership in action at the Middle level.

Under the able guidance of Head of the Department **Ms. Farida Dawood**, BMS is on a route to progress through strategic planning and inclusive practices. She inspires a shared vision for the school's future, fosters innovation and collaboration, and motivates staff and students to achieve ambitious goals. BMS is focused on the present and future, emphasizing passion, mission, and execution to drive positive change and academic excellence. BMS provides a safe and nurturing environment where children feel secure, valued, and emotionally supported. It is staffed with qualified, caring teachers who are dedicated to the holistic development of the children. It ensures that students build solid foundations in literacy and numeracy while also developing creativity, physical abilities, enrichment activities and moral values. Inclusive education is embraced here, supporting children of all abilities and backgrounds. Emphasis is also placed on teaching important social skills and values such as empathy, cooperation, and respect. Good infrastructure—including clean classrooms, safety first and proper sanitation is provided for a healthy learning environment. Finally, continuous and constructive assessment at BMS helps track student progress and supports their growth without causing stress.
