

INTERNATIONAL INDIAN SCHOOL – DAMMAM

REF: IIS: PRINC: CIR: 0334: 25

8<sup>th</sup> September 2025

**CIRCULAR**

**Temporary Relocation of Girls' Section – Grades 9 to 12**

Dear Parents,

***Greetings from IIS Dammam!***

In continuation of the **Circular No. 0331 dated 28<sup>th</sup> August 2025**, we wish to keep you informed about an important development regarding the functioning of our school.

It was from **Saturday, 23<sup>rd</sup> August 2025**, our Girls' Block experienced a major electrical outage from 7.30 am. After a thorough inspection it has been determined that the electrical infrastructure requires a **Major Electrical Revamp** which includes replacement of some cables from SEC and Main Breakers, for ensuring a long-term safety and well-being of our students and staff. This rectification work will take some time for completion to meet present-day safety and operational standards.

In the interest of the safety, and to ensure uninterrupted learning, the school has decided on the following **Interim Academic Arrangements** with effect from coming **Thursday, 11<sup>th</sup> September 2025**.

- 1. Boys' Section:** Classes will run from **7:30 a.m. to 12:00 noon**. The detailed timetable will be shared by the Class Teachers.
- 2. Girls' Section – Grades 9 to 12:** Physical/offline classes will be conducted in the **Boys' Building**, which is fully functional and safe, from **1:15 p.m. to 5:45 p.m.** This ensures that CBSE Board students are adequately prepared for their upcoming examinations.
- 3. Girls' Section – Grades 1 to 8:** Classes will continue in **online mode** until further notice.
- 4. Admin/Accounts Office:** Working hours will continue as usual.

Parents shall be informed well in advance of the further developments and we seek your wholehearted support during this interim academic arrangement.
