HPV vaccination by Saudi MOH Class VII and VIII [Girl students only]

Dear Parents,

Greetings from IIS Dammam!

Ministry of Health, KSA is providing HPV vaccine as a National Campaign for students (***for Girl Students only***) of Grade 7 & 8. **MOH will visit our school on 13th and 14th May 2026- Vision Campus and on 18th and 19th May - Unity Campus.**

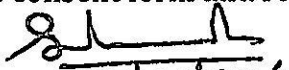

This vaccine protects against Human Papillomavirus infection and prevents Cervical (part of uterus) Cancer. It is a safe vaccine and given Intramuscular.

As per the information from MOH, GARDASIL9 is given by Ministry of Health officials. Students who took 1st dose in November 2025 from school shall receive 2nd dose now. Second dose of HPV can be taken within 6 months to one year from Primary Health Centers in KSA also.

Students with the below conditions must NOT take the vaccine:

1. Allergic to vaccines
2. Having high fever
3. Have already taken the two doses of HPV vaccine earlier and completed.

The parents who wish to have their child receive the HPV vaccine are kindly requested to complete the consent form and return it to the class teacher by **Sunday, 10th May 2026.**
