UNITY SENIOR SECONDARY SECTION

"EMPOWERING LEARNERS, ENRICHING LIVES"

"When knowledge enlightens the mind and values guide the heart, we prepare not just successful students, but responsible global citizens."

Ms. Abida Muhib – Head of Department, USSS

Ms. Abida Muhib assumed charge as the Head of Department of USSS in June 2026, bringing with her a strong vision for educational excellence and the holistic development of every student.

A firm believer in the philosophy that education extends beyond academic achievement, she is committed to nurturing intellectually curious, emotionally resilient, morally responsible, and socially conscious individuals. Her vision is to create a positive, inclusive, and stimulating learning environment where every student is encouraged to discover their potential, develop confidence, and strive for excellence.

She firmly believes that the true essence of education lies in striking a meaningful balance between academic rigour and character building, fostering values such as integrity, discipline, empathy, respect, and responsibility.

Through collaborative efforts with teachers, parents, and other stakeholders, she aspires to build a strong educational community united by a shared commitment to student success and well-being

With the continued guidance and support of the school management and senior leadership, she looks forward to strengthening teaching and learning practices, encouraging innovation, and nurturing a culture of continuous improvement. Her vision is to empower every learner to excel academically, grow in character, and emerge as a confident, compassionate, and responsible individual, well prepared to meet the challenges of an ever-evolving world.

STAFF – The beacon of USSS:

A Salute to the unwavering dedication and commitment of nearly 46 staff, rendering their duties to build ideal and global citizens. The updated staff that remains on toes, geared up, equipped with modern teaching methodologies, focuses on learning with fun, enabling students to think critically, act rationally and strive for the

School's Motto – Quest For Excellence.

USSS EDUEX-2026: Journey from Curiosity to Discovery

EDU EX 2026 was a vibrant showcase of students' creativity, innovation, and experiential learning. The exhibition provided a platform for young minds to present their ideas, demonstrate their talents, and bring classroom learning to life. The event reflected the collective efforts of students and teachers in fostering curiosity, collaboration, and holistic development.

Every project tells a story, every creation reflects a vision, and every student is an innovator in making.

USSS Educational Trip-

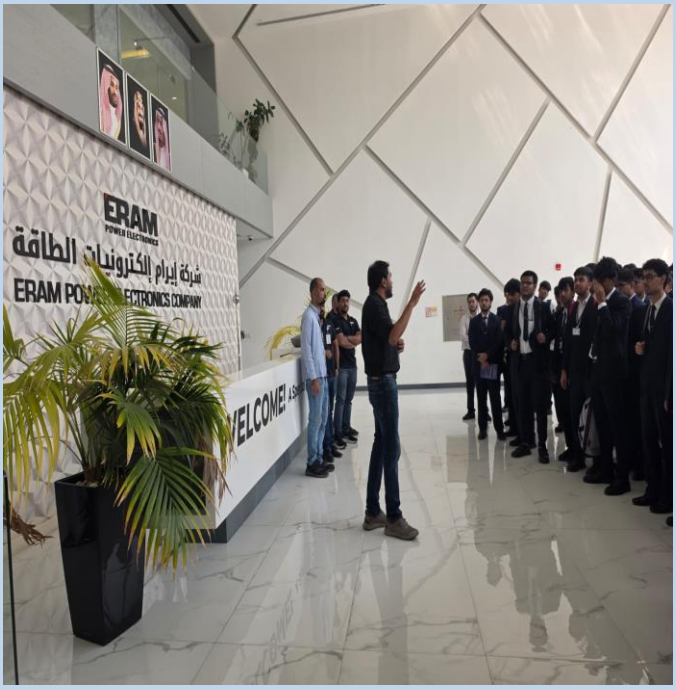

Empowering Minds Through Experiential Learning.

Students explored real-world business operations, retail management, merchandising, customer service and consumer's behaviour, connecting classroom concepts with practical business experiences.

Students gained valuable industrial exposure, observed engineering applications and explored how scientific principles are applied in electrical and power electronics technologies.

Laboratories:

At USSS, our state-of-the-art laboratories play a vital role in fostering scientific thinking and curiosity among students. They serve as dynamic learning environments that enhance the understanding and application of scientific concepts, practical skills, and problem-solving abilities.

We take pride in our well-equipped Physics, Chemistry, and Biology labs, each stocked with the required apparatus, instruments, and chemicals needed for effective experimentation. Additionally, our Computer Lab is outfitted with the latest systems, ensuring students stay updated with current technological advancements.

Library:

Our library is more than just a collection of books—it's a vibrant space where students discover inspiration, gather information, and connect with a world of knowledge.

With an extensive and regularly updated collection of books, periodicals, and digital resources, the library offers supervised internet access during school hours, enabling students to explore and learn beyond the classroom.

Each class has a dedicated library period every week, and students are welcome to use the facility during recess as well. The library subscribes to 9 local and national newspapers and 12 magazines, and is supported by a proactive acquisition program that sources materials both locally and internationally.

Competitions:

To nurture a spirit of healthy competition and creativity, USSS organizes a wide range of subject-based and co-curricular competitions. These include Debate, Elocution, Quiz, Poster Making, Book Review, and more. These events not only enhance student engagement but also help in building confidence, critical thinking, and communication skills.

Club Activities:

Club activity in USSS focuses on students' team work and present their ideas to their peers. The events encourages creativity, teamwork, and practical learning beyond the classroom.

Morning Assembly:

Morning assembly provides an opportunity for young people to consider spiritual and moral issues, to develop community spirit and reinforce positive attitudes. It also helps them overcome the stage fear and foster public speaking. On every Sunday and Wednesday, morning assembly in USSS is managed.

Sports And Fitness:

Along with Academics, complete attention is given to the physical and mental fitness of each student in USSS. Equipments and other sports material is provided to the students to make them excel in the field. Following activities are conducted in the section.

Coaching and equipments are made available for students in :

i) Athletics: Running, High Jump, Long Jump, Discuss Throw, Javelin Throw, Shot-Put

ii) Outdoor Sports: Coaching and equipments are made available for students in Cricket,Volleyball, Football, Basketball, Kabaddi & Kho Kho etc.

iii) Indoor Sports: Badminton, Table Tennis.

Scouts:

The mission of Scouting is to contribute to the education of young people, through a value system based on the Scout Promise and Law to help build a better world, where people are self-fulfilled as individuals and play a constructive role in society.

Career Guidance:

USSS offers its teenagers counseling, guidance and information on various courses offered by Universities and Educational Institutions in India and Overseas. CGC also conducts career talks by professionals from various fields. Career Fair is conducted annually with participation of leading educational institutions. Parents along with students are invited to attend the career fair, which help them choose different career options available for their wards.

Co-curricular Activities:
